(i) Recommendations from the Governor

Announcement

Mr. SPEAKER.—I wish to announce that I have received recommendations from His Excellency the Governor of Mysore, and I shall read those recommendations.—

(1) In pursuance of clauses (1) and (3) of Article 207 of the Constitution of India, I, Dharma Vira, Governor of Mysore, do hereby recommend that the Mysore Sales Tax (Second Amendment) Bill, 1970, be introduced in and considered by the Mysore Legislative Assembly.

(2) In pursuance of clauses (1) and (3) of Article 207 of the Constitution of India, I, Dharma Vira, Governor of Mysore, do hereby recommend that the Mysore Excise (Second Amendment) Bill, 1970, be introduced in and considered by the Mysore Legislative Assembly.

Sri M. NAGAPPA.—Sir, I rise on a point of information. I want to know whether these recommendations were appended to the notice for introduction by the Minister.

Mr. SPEAKER.—The procedure is that it is for the Speaker to see that all the constitutional requirements are met. It is only for the sake of information that I am passing on the recommendations to the House. It is enough if the recommendations are received before the Bills are introduced or taken into consideration.

Sri M. NAGAPPA.—As per rules, if it is not appended with the Notice, the very Notice is invalid. I quote Rule 67 of the Rules of Procedure, which says:—

"If the Bill is a Bill which under the Constitution cannot be introduced without the previous sanction or recommendation of the Governor, the member shall annex to the notice such sanction or recommendation conveyed through a Minister, and the notice shall not be valid until this requirement is complied with."

Therefore, if the Notice is not appended with the recommendation, the notice itself is invalid, and even the Chair also cannot accept that Notice.

3-00 P. M.

Mr. SPEAKER.—The hon. Member should know that rules 66 and 67 have to be read together. The Rule 66 reads thus :—

“If notice is given by a member other than a Minister of a motion for leave to introduce a Bill or to move an amendment which, in the opinion of the Speaker, cannot be introduced or moved save with the previous sanction of the President under article 304 of the Constitution, the Speaker shall, as soon as may be, after the receipt of the notice, refer the Bill or the amendment to the President and the notice shall not be placed on the list of business unless the President has communicated to the Speaker that the previous sanction has been granted or is not required.”

Rule 67 reads thus :—

“If the Bill is a Bill which under the Constitution cannot be introduced without the previous sanction or recommendation of the Governor, the member shall annex to the notice such sanction or recommendation conveyed through a Minister, and the notice shall not be valid until this requirement is complied with.”

These are the provisions for Bills and measures to be introduced by Private members and not by the Government. The requirements of the Constitution are substantially complied with. I do not find any force in the argument of the hon. Member.
